Spacedev React Course

Tech: HTML, SASS, TAILWINDCSS, ANTD, REACTJS, REDUX-THUNK, REDUX-TOOLKIT, REACT-TOASTIFY,...etc

Short & Long term goals

- In the next two years
I would like to improve the knowledge at a position of Frontend developer and adopt skills that I have not achieved yet.
- More than two years
I would like to develop myself in the area of UI/UX design or Backend development.
